

Contacts

Before

- Generate an emergency contact list and update on a regular basis
 - Prioritize contacts and who to call first
 - Prioritize each contacts' preferred mode of communication
 - Include all available forms of communication
- Test numbers, emails, etc. that are included in the contact list
- Consider storing emergency contacts in multiple locations, such as this section of the binder, your **Go Bag**, wallet, car, etc.
- Identify out of State contacts to be included

During

- Reference your **Communication** plan
- Call those identified as priority contacts

After

- Update all contacts

***Do you remember all the numbers
stored in your phone?***

***PRINT AND SAVE COPIES OF
CONTACT LISTS ON A REGULAR
BASIS!***
