**COYOTE INFORMATION:** District residents have lost a few of their pets to coyotes that now roam our beaches.

Here are some tips on how to deal with a coyote near your home:

- \*Move pets indoors, especially during dusk and dawn when coyotes are most active.
- \*Never leave food or pet food bowls out, it attracts them.
- \*Make sure your trash can lid is closed.

**TAKE IT SLOW:** A friendly reminder, that a new school year is about to begin. Please take it slow, stay alert for buses, pedestrians, and school children.
