

INTRODUCTION FAMILY EMERGENCY PLAN

July, 2019

Face Sheets

For each topic described in this plan, **Face Sheets** that contain concise checklists are provided to assist Planners with tasks to consider in efforts of preparedness, response, recovery, and mitigation. Face Sheet Checklists are organized in the following manner:

Before

Green Box = Efforts to take **BEFORE** an emergency

During

Red Box = Actions to follow **DURING** an emergency

After

Purple Box = Efforts to follow **AFTER** an emergency

References Important Supporting Documents are provided behind each Face Sheet where necessary. Source citations are provided on Face Sheets and Supporting Documents when available.

Assignations : (Section Name) = see section of topic reference; (Supporting Doc.) = see supporting document of topic referenced.

THIS DOCUMENT WAS MODIFIED FROM the February 2017 electronic version of “The Emergency Plan Template” (see <http://www.vchca.org/resources>) created in collaboration with Ventura County Emergency Preparedness Office and Ventura County Health Care Coalition. **Additional**

Acknowledgements: The following agencies and groups also provided valuable input, direction, and counsel regarding the Original Source Document plan:

- Ventura County Public Health Department
- Ventura County Emergency Medical Services Agency
- Ventura County Emergency Preparedness Office
- Ventura County Health Care Coalition
- Ventura County Medical Reserve Corps
- Ventura County Animal Services
- Ventura County Office of Emergency Services
